BRERA

REFINED STRUCTURES 2

Brera, il "quartiere degli artisti", è senza dubbio il più rinomato di Milano: situato nel cuore del centro storico, è celebre per l'atmosfera incantevole e le raffinate boutique. La stessa eleganza caratterizza questa nuova carta da parati, ispirata ai dettagli delle collezioni Armani Privé.
Il disegno creato dal ricamo di migliaia di perline viene riprodotto sul supporto vinilico, impreziosito dall'applicazione di una finitura perlescente che esalta l'effetto tridimensionale. Presentata in toni neutri e in azzurro e verde pastello.

Brera, "the district of the artists", is the most renowned of Milan: located in the heart of the historic city center, it is famous for its charming atmosphere and fine boutiques. The same elegance defines this new wallcovering, inspired by the details of the Armani Privé collections.
The design created by the embroidering of thousands of beads is reproduced on the vinyl support, made precious by the use of a pearlescent finishing that highlights the three-dimensional effect. Presented in neutral tones as well as pastel blue and green.
