ELBA

GRAPHIC ELEMENTS 2

L'isola d'Elba, al largo delle coste toscane, presenta un paesaggio estremamente variegato e interrotto dalle celebri cave di minerali. Le sfumature e i riflessi tipici dei cristalli di tormalina, berillio e granato sono riprodotti sulla superficie di questo parato, realizzato con la tecnica del fil posé per aggiungere un ulteriore tocco prezioso.

The isle of Elba, off the Tuscan shores, presents an extremely variegated landscape, interrupted by the famous mineral mines. The typical shades and reflections of tourmaline, beryl and garnet crystals of the island are reproduced on the surface of this wallcovering, made with the fil posé technique to add a touch of luster.
