Lipari è la maggiore delle isole Eolie, sette gemme incastonate nel blu del Mar Mediterraneo e situate poco distanti dalle coste della Sicilia. La bellezza e la ricchezza dell'isola si ritrovano nel suo nome, dal greco antico Lipàra, ossia "fruttifera". Per la sua posizione di spicco all'interno dell'arcipelago, proprio a quest'isola è dedicato il parato caratterizzato da uno dei decori più iconici dello stile Armani, ovvero la texture shagreen.

*Lipari is the largest of the Aeolian islands, seven gems sprinkled in the blue of the Mediterranean Sea and located not far from the shores of Sicily. The name of the island echoes its beauty and the richness, coming from the ancient Greek Lipàra, which means "fruitful". For its prominent position in the archipelago, the wallcovering featuring one of the most iconic designs of the Armani style, the shagreen texture, has been named after this island.*
