SETA FIAMMATA

Come le carte abbinate, questo unito è realizzato in seta fiammata, la cui superficie si caratterizza per sfumature e nodi tipici dei filati semi grezzi impiegati.
Questa seta particolare è tessuta insieme a fili metallici per rendere più prezioso il supporto.

Like the matching wallcoverings, this plain variant is made with raw silk, which features a distinctive textured effect with slubs and knots coming from semi-refined weft yarns.
This particular silk is weaved with metallic yarns to enrich the material.
